*Happy  
Holidays!*

Our youngest volunteer, Sophie, loves the dogs and cats at DAWGS and her very favorite day is adoption day, when they find wonderful new homes.

Sophie sat down to write her wish list for Santa and with a little extra help writing it out, this is what she asked for...

The kitten in the photo had been found after a big storm, wet and shivering in the cold, and the puppies were left in a box at the shelter one chilly morn. All are now safe, healthy, happy and anxiously awaiting their adoption.

Thank you for helping us to make a difference and for your love of the animals in our care.

Wishing you & your family the happiest of holidays,

Sophie, Diane, Mark and everyone at DAWGS
